Every Day Service Reflections

Name _____ Small Group Leader: _____

Please journal your reflections for each of your moments of service. Make sure to include **what**, **when**, and **why**. How do you feel being an instrument for God's helping His people? Challenge yourself to compare your actions to a similar action of Christ. Give reference to a particular scripture passage from the Bible that relates to your service if you can. This would be a good time to work with your sponsor. Thank you for making this world a better place to live!
